At Care1, 'People First' isn't just our motto – it's the heart of everything we do. For over 19 years, we've been a trusted, registered provider of complex care and support for people with diverse and high needs.

We are specialists in delivering in-home care and Supported Independent Living (SIL), offering families and individuals a better, more compassionate choice. Founded on the belief that everyone deserves the highest quality of life,

we remain committed to delivering care that truly makes a difference.

Our team of compassionate nurses and skilled care workers provide exceptional, personalised support – 24 hours a day, 7 days a week – across Australia. Whether it's temporary or permanent staffing, we match the right professionals to the unique needs of our clients and their families. Proudly Australian-owned and operated, Care1 is run by industry-trained professionals who understand your needs and are dedicated to exceeding your expectations.

With Care1, you're not just receiving care – you're gaining a partner who puts people first, always.
